The Chairperson announced that a quorum of the group was present, and that the meeting, having been duly convened, was ready to proceed with its business.

3 Summary of previous meeting

Supervisor reviewed our pitch and gave us some suggestions. In addition, we discussed the design of two modes pages, login page. Finally, supervisor help us look through the draft plan.

4 Milestone

- we showed our work and progress for milestone.
- We need to add statements in code summary on trace table page.
- The results that students fill in should be saved in somewhere by clicking submit button.

5 Some improvements

5.1 Shell script for gdb

- We should try to run our tool in Linux to solve the problems about connection between button and gdb command.

5.2 Interface design

- The layout in two modes page should be changed a little.
