1 Time and Place

The *eighth* supervisor meeting for the MCI Group Project was held in **In-gkarni Wardli level 4** at **2:30pm on Tuesday 1st May 2017**.

2 Quorum Announcement

The Chairperson announced that a quorum of the group was present, and that the meeting, having been duly convened, was ready to proceed with its business.

3 Milestone Two

Our group described our milestone two, and for the second milestone we need to finish the following tasks:

- Finish the function of score statistic and analysis.
- Finish the function of Error Analytics.
- Accomplish basic function of trace table.
- Finish the basic page design.
- Connection between student mode and teacher mode.

4 Represent the current achievements for C Tracer

4.1 Teacher mode - the function of score statistic and analysis

Changchang Liu illustrated the current achievements for teachers mode.

- Can display a table of the overview information about student submit.
- Can display a table of the statistic information according to filenames and display a pie chart of students performance level according to a selected file.
- Can display a table of the statistic information according to classes and display a pie chart of students performance level according to a selected class and a selected file.

4.2 Student mode

Tianxu illustrated the current achievements for Students mode.

- Focus on finding the method of mark the students' inputs.
- Focus on redesign of the web page.

4.3 Issues need to be fixed

- Have to put the diagram of performance level behind of the detailed table.
- Have to change the value of some buttons.
- Have to delete the 'filename' from the score table according to a selected class.
- Have to solve the scaling problem of the web page.
- Need to mark student according to the percentage of error and correct lines.
- Need to focus on connect between teacher and student mode.
